

Venue Requirements, Sessions & Pricing

Venue Requirements:

The **Standard Dome** requires at least one power point, a floor space of 6x6 metres and a ceiling height of 3.5 metres (minimum 3 metres). The standard dome has a capacity of 30 primary school participants (25 high school participants) or one class per session. An enclosed hall, gym or multi-purpose room is ideal otherwise a standard classroom, preferably air-conditioned, with desks moved to the edge of the room would suffice. Ground level locations with vehicle access are preferred and access to the site must be restricted during breaks. Set up time is approximately 1 hour and pack down time is approximately 30 minutes.

The **Giant Dome** requires two power points, an enclosed hall or theatre with a floor space 9x9 metres and a ceiling height of 4.5 metres (minimum 3.6metres).The venue must have ground or ramp access. The giant dome has a capacity of 60 primary school participants (50 high school participants) or two classes per session.

Sessions & Pricing:

Recommended session duration is between 45 and 60 minutes. Sessions run consecutively allowing for normal school lunch and recess breaks. Multiple year levels are welcome during the visit. Presentations are based on the Australian Curriculum and are tailored to suit the year level and participants' level of understanding. Please contact us for suggested sessions to suit your class requirements.
